KINTEGRA TO OPEN FAMILY MEDICINE PRACTICE AT DAVIE COUNTY DHHS

(Gastonia, NC – September 2021) Kintegra Health will open the doors at its newest practice location, Kintegra Family Medicine – Mocksville on September 20, 2021.

The practice will be located within the Davie County Health and Human Services (DCHHS) building at 154 Government Center Dr., Mocksville. Services will include adult well/sick care, chronic disease management, preventative care and behavioral health counseling to adults in Davie County.

The co-location of Kintegra Family Medicine within the DCDHHS building brings increased access and continuity of care for the residents of Davie County. DCDHHS currently operates a pediatric medical clinic in the building, and the addition of Kintegra's Family Medicine practice provides a full complement of medical and behavioral health care to families in need of these services.

Kintegra is proud of the strong collaboration with Davie County Government/DCDHHS which has helped to establish Kintegra's two existing practices in Mocksville where dental and children's behavioral health services are provided.

"The opening of Kintegra's third practice in Mocksville is welcome news for Davie County, and the co-location of Kintegra Family Medicine operations at DCDHHS will help us to better serve and meet the comprehensive medical and mental health needs in our community", said Suzanne Wright, DCDHHS Health Director. "DCDHHS and Kintegra Health have a history of providing best- and evidence-based practices within their respective programs and operations. We are very excited to welcome Kintegra at our new facility here at Government Center Drive, and look forward to new opportunities improve health outcomes for patients in need of these vital services in our community."

Robert Spencer, CEO of Kintegra Health, added: "We are fortunate to have this relationship with DCDHHS and look forward to building on the strengths of our organizations to continue to increase access to care in Davie County."
