

WestLife Wellness Patients,

As part of our ongoing commitment to providing you with the highest quality care, we are pleased to announce that your clinical team at WestLife Wellness in Collettsville and Happy Valley will be transitioning its primary care practices to Kintegra Health, effective October 6, 2025. This transition will give you access to expanded support and Kintegra's broad range of comprehensive health services.

Your patient services will continue without interruption, and the same trusted clinical teams will continue to provide the quality care you have come to expect.

Over the next several weeks, you may notice a few changes, including:

- New name appearing on our communications:
 - Kintegra Family Medicine – Collettsville
 - Kintegra Family Medicine – Happy Valley
- Transition to a new electronic medical record (EMR) system
- Enhancement of existing services and expanded access to care and support programs

Like WestLife Wellness, Kintegra Health is a Federally Qualified Health Center (FQHC) dedicated to delivering comprehensive medical and behavioral health services to the Caldwell County community.

We look forward to continuing to care for you and your family throughout this transition and beyond. If you have any questions or concerns, please don't hesitate to reach out to any member of our team.
